Ms. Kirsten Walli, Board Secretary
Ontario Energy Board
2300 Yonge Street
27th Floor
Toronto, Ontario
M4P 1E4

Dear Ms. Walli:

Re: EB-2014-0234

We are in receipt of the Board's Letter of Direction and Notice of Application (the "Notice") in the above-referenced proceeding.

As a matter of clarification, we request that the Notice be amended to reflect the relief sought by Goldcorp in its application. Specifically, the Notice provides in the first full paragraph:

"In the current application Goldcorp Inc. is asking the Board to order Union Gas Limited to pay the \$2,375,000 of the additional costs."

Goldcorp has not requested that Union pay the additional costs. Rather, Goldcorp has requested that the Board order Union to exclude the delay costs from its calculation of the CIAC for the Pipeline (i.e. to not charge Goldcorp for the additional costs). Because Union may wish to seek approval to recover the additional costs from all of its customers in a future proceeding, Goldcorp does not want to jeopardize Union's ability to do so in this proceeding.

To that end, we request that the first paragraph of the Notice be amended as follows:

"The Ontario Energy Board previously approved an application by Union Gas Limited to construct a natural gas pipeline to serve certain of Goldcorp Inc.'s mines. There was a delay in the construction which Goldcorp Inc. says resulted in additional costs. In the current application Goldcorp Inc. is asking the Board to order Union Gas Limited to ~~pay~~

~~the \$2,375,000 of the additional costs~~ exclude \$2,375,000 of the additional costs from Goldcorp's contribution in aid of construction for the natural gas pipeline."

Thank you for your consideration.

Sincerely,
