**Re: Ontario Power Authority ("OPA")
Fiscal 2014 Expenditure and Revenue Requirement Submission**

On June 3, 2014, the Board issued Procedural Order No. 2 that established July 8 and July 9 as dates for a Settlement Conference.

The Board notes that a number of intervenors filed late interrogatories in this proceeding. In light of the late filings, the Board granted additional time to the OPA to file responses to the interrogatories.

The Board has received requests from the Vulnerable Energy Consumers Coalition and the Association of Major Power Consumers in Ontario to delay the Settlement Conference as a result of the OPA filing responses on July 4.

The Board has considered the requests to delay and has determined that the Settlement Conference will proceed as scheduled.

Yours truly,
