**EnWin Utilities Ltd.**  
**Notice of Appeal Under Section 7 of the Ontario Energy Board Act from Decision**  
**and Rate Order in EB-2013-0125**

**Board staff Comments on the Draft Rate Order**

On July 24, 2014, the Board issued its Decision and Order on EnWin Utilities Ltd.'s ("EnWin") section 7 Appeal. The Decision required EnWin to submit its draft Rate Order (DRO) by July 28, 2014. EnWin submitted its DRO and supporting documentation on July 28, 2014. The following are Board staff's comments regarding the DRO.

Board staff confirms the completeness and accuracy of the revised rate rider calculations for the disposition of Group 1 Deferral and Variance Account balances as at December 31, 2012.

Board staff also confirms the completeness and accuracy of the draft Tariff of Rates and Charges filed, with the exception that the draft Tariff of Rates and Charges be corrected as follows:

- For the Standby Power Service Classification, the text "APPROVED ON AN INTERIM BASIS" should not be included in the header, and should be following the wording "MONTHLY RATES AND CHARGES" as found in previous tariffs for EnWin.

- All of which is respectfully submitted -
