Dear Ms. Walli:

**Re: Hydro One Networks
2015-2019 Distribution Custom Rate Application (EB-2013-0416)**

The Procedural Order provided for the provision of the parties' positions on the issues in the proceeding and whether they should proceed in writing or be dealt with at the oral hearing. The parties in attendance at the settlement conference considered that issue.

I write jointly on behalf of the Applicant and intervenors that participated in the settlement conference to advise agreement was reached that issues 7.5, 7.8 and the methodology component of issue 6.4 could be dealt with by way of written hearing (argument only). The Applicant and other parties to the settlement conference were in agreement that the balance of the issues should be dealt with in the oral hearing set to commence September 8, 2014.

If the Board requires anything further, please do not hesitate to contact me.

Yours very truly,

Anita M. Varjacic
