Ms. Walli:

**Board File No. EB-2013-0416 Hydro One Networks
2015 - 2019 Distribution Rates Application
Energy Probe – Submissions on SEC Motion**

Energy Probe has reviewed a copy of the Motion of the Schools Energy Coalition filed with the Board on July 29, 2014 regarding complete and full responses to certain interrogatories.

Energy Probe Supports the SEC Motion on two grounds:

- 1. The Interrogatory responses that Energy Probe requested in accordance with Procedural Orders #2 and 3 were not filed by the deadline the Board established and were either incomplete (I-2.6-Energy Probe-23), or were so severely redacted (EP33a, I-Tab 4.2 Staff 63) as to make the document of zero utility to either the Board or Intervenors.**
- 2. In response to Procedural Order #4, on July 29, 2014, Energy Probe filed a submission on Confidentiality in which we submitted that these particular IR responses (and Other IR responses) be placed on the public record in full. Energy Probe suggested that the only exception be redaction of the names of the peer groups used by Hydro Ones Consultants and that information should be accessed under a Confidentiality Undertaking.**
