Dear Mr. Towstego:

**Re: Ontario Power Generation Inc.
Notice of Proposal under Section 81 of the *Ontario Energy Board Act, 1998*
Board File No. EB-2014-0225**

On June 24, 2014, Ontario Power Generation Inc. on behalf of itself and Coral Rapids Power Limited Partnership, filed a notice of proposal under section 81 of the *Ontario Energy Board Act, 1998* in connection with the applicants' intention to construct a new transmission line and related transmission facilities near New Post Creek in Northeastern Ontario to convey electricity from the proposed New Post Creek generating station to the IESO-controlled grid.

This letter is to inform you that the Board does not intend to issue a notice of review of the proposal.

Yours truly,
