Dear Mr. Shepherd:

**Re: Late Intervention Request for Festival Hydro Inc.  
Application for 2015 Distribution Rates  
Board File Number: EB-2014-0073**

The Notice for this proceeding, which was published on June 26, 2014, required that all requests for intervenor status be filed by July 6, 2014.

On July 31, 2014, the School Energy Coalition ("SEC") filed a late intervention request. No objection was received from Festival Hydro. The Board approves SEC as an intervenor. The Board has also determined that SEC is eligible to apply for an award of costs under the Board's *Practice Direction on Cost Awards*.

In granting the intervention request, the Board requires SEC to adhere to the case schedule outlined in Procedural Order No.1, accept the record as it currently stands and be cognizant of the Board's views on the issues list and interrogatories contained in Procedural Order No. 1 for this proceeding.

Yours truly,

*Original Signed By*
