Re: Amendment to Electricity Generation Licence EG-2003-0189 - Chapleau Co-Generation Limited

Dear sir,

On October 20, 2003 (the "Issue Date") Chapleau Co-Generation Limited (the "Licensee") was issued an Electricity Generation Licence (EG-2003-0189) (the "Licence") for its Biomass Generation Facility located at Planer Road, Chapleau, Ontario.

On August 22, 2007 the Licensee was acquired by Tembec Industries Inc. On February 28, 2008, all of the assets of Tembec Industries Inc., including the assets of the Licensee, were assigned to Tembec GP, a general partnership formed under the laws of the Province of Ontario. Pursuant to a reorganization on May 24, 2013, Tembec GP re-formed its general partnership under the laws of the Province of Quebec. Accordingly, Tembec requests that the License be amended and updated to reflect the following changes:

- |                              |   |
|------------------------------|---|
| 1. Name of Licensee:         | Tembec General Partnership  |
| 2. Contact name of Licensee: | Ron Martel, Mill Manager, Chapleau Sawmill  |
| 3. Key individuals:          | Paulo Dottori, Vice President Environment and Technology<br>Andre Ouimette, Vice President Ontario Operations |

The changes will not affect the only existing customer which is Hydro One. Please advise on any additional information which you may require in order to give effect to this amendment request.
