Dear Ms. Walli:

**Re: Ontario Power Authority - 2014 Revenue Requirement Submission**  
**Ontario Energy Board File No. EB-2013-0326**

---

The Ontario Power Authority ("OPA") is writing to follow up on its letter sent to the Board on August 8, 2014 regarding the 2014 Revenue Requirement Submission.

The OPA is still not able to advise the Board on the next steps required in the proceeding as consideration is ongoing with respect to issues that impact the OPA's budget.

In the meantime, the OPA asks that the Board release the dates of August 18 and 19 that it has tentatively reserved if the Board were to proceed by way of an oral hearing. The OPA may be in a position to advise the Board of its proposed next steps by the end of this week and therefore, the OPA asks that the Board retain the date of August 20 at this time as it may provide an opportunity for parties to address issues arising from the OPA's proposal to the Board.

The OPA will communicate further to the Board on this matter as soon as it is able.

The OPA used the Board's Regulatory Electronic Submission System to file this document and encloses two paper copies for your records.

Yours truly,

A handwritten signature in black ink, appearing to read "Michael Lyle".
