**Re: wpd White Pines Wind Incorporated
Application for Leave to Construct Transmission Facilities
Board File No. EB-2013-0339**

Procedural Order No. 4, issued on July 18, 2014, established a schedule for the filing of submissions. In accordance with that procedural order, the Applicant filed its argument-in-chief on August 6, 2014, Board staff and intervenors filed submissions on August 13, 2014 and a reply submission from the Applicant is due on August 22, 2014.

On August 22, 2014, the County of Prince Edward (the "County") filed a submission in regard to Board staff's submission. Its previous submission could not provide this response because Board staff and County submissions were due the same day. The Applicant responded that the County's August 22, 2014 submission should be disregarded by the Board because it was out of time or else that the timeline for the Applicant's reply should be extended to August 25, 2014 so that it could address the County's August 22, 2014 submission.

The Board has decided to accept the County's August 22, 2014 submission for consideration in this proceeding and the timeline for the Applicant's reply is hereby extended to **August 25, 2014**.

Yours truly,
