Dear Mr. Hann:

Re: Application for Unit Sub-metering Licence
Board File Number EB-2014-0270

The Board has reviewed your application for an electricity retailer licence. Your application is currently incomplete and cannot be processed until the following has been filed:

1. Section 1, Page 1 of the Application Form – Name to Appear on Licence

In section 1 of the application form you have identified the legal name of the applicant as NGUTech Inc. and below requested that the name to appear on the licence be ValEnergy Company. The application form notes that if the name to appear on the licence is different from the legal name, the legal name must appear first, e.g. NGUTech Inc., doing business as ValEnergy Company. Please resubmit page 1 of the application form with the proper name to appear on the licence.

2. Section 7, Page 4 of the Application Form – Intended Services:

In this section you have stated that you are currently providing unit sub-metering services. Section 57(c.1) of the Ontario Energy Board Act, 1998 states that no person is permitted to engage in unit sub-metering without a licence. Please explain in details what services you are currently providing and for how long. Please provide reasons for not applying for a unit sub-metering licence earlier to ensure compliance with regulatory requirements.

3. Section 8, Page 5 of the Application Form – Corporate Organization:

To help the Board understand your organization, please provide a brief summary of NGUTech's business activities.

The Board will resume processing your application once the above information has been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Upon receipt of the required information the Board will issue an acknowledgement letter indicating the expected date on which a decision and/or order may be rendered.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
