ONTARIO ENERGY BOARD NOTICE

Goldcorp Inc. has applied for an order regarding the responsibility for payment of certain costs related to the construction of a pipeline by Union Gas Limited.

Learn more. Have your say.

The Ontario Energy Board previously approved an application by Union Gas Limited to construct a natural gas pipeline to serve certain of Goldcorp Inc.'s mines. There was a delay in the construction which Goldcorp Inc. says resulted in additional costs. In the current application Goldcorp Inc. is asking the Board to order Union Gas Limited to exclude \$2,375,000 of the additional costs from Goldcorp's contribution in aid of construction for the natural gas pipeline.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The OEB will hold a public hearing to consider Goldcorp Inc.'s request. We will question both Goldcorp and Union Gas on the case. We will also hear arguments from individuals and from groups that represent Union Gas' customers. At the end of this hearing, the OEB will decide the appropriate amount payable by Goldcorp to Union Gas.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
