Dear Ms. Walli:

Re: Late Intervention Request

Board File Number: EB-2014-0213 – Application by Hydro One Inc. for leave to purchase all of the issued and outstanding shares of Woodstock Hydro Holdings Inc.

I am writing on behalf of Concerned Citizens Against the Sale of Woodstock Hydro ("CSASWH") to respectfully request late intervenor status in the above-noted proceeding.

A number of citizens of Woodstock, Ontario have expressed concern regarding the sale of Woodstock Hydro. As reflected in the attached list of names, 467 individuals have signed a petition contesting the sale. The Board's order in the proceeding will ultimately impact the rates and customer service received by the citizens of Woodstock. CSASWH is intervening in order to ensure that the interests of Woodstock citizens and ratepayers are fully represented in this proceeding. CSASWH is also interested in ensuring that the proposed sale of Woodstock Hydro is in the public interest. Accordingly, I respectfully submit that CSASWH has a substantive interest in this proceeding and should be granted intervenor status.

CSASWH intends to ask for costs for its participation in this proceeding.

All correspondence related to this proceeding should be addressed to the undersigned.

Sincerely,

Michael Harding
