Re: EB-2014-0080 Cost of Service Application for 2015 Electricity Distribution Rates

Hearst Power Distribution Company Limited is scheduled to file a Cost of Service Application for 2015 Electricity Rates effective May 1, 2015.

Hearst Power Distribution Company Limited regrettably informs the OEB that it will not be able to meet the August deadline. The reasons for the delay were communicated in a letter to the OEB filed on April 10, 2014.

Hearst Power continues to work diligently on its application and commits to filing a comprehensive and complete Cost of Service application on or before November 28, 2014

If you have any questions, please do not hesitate to contact me at the information provided below.
