The Board assigned file number EB-2007-0571 to the application and issued a Notice of Application and Written Hearing dated February 12, 2007. Peterborough Distribution Incorporated submitted an amended application on March 16, 2007, which included a detailed plan for the recovery of a Z-factor adjustment.

On March 23, 2007 the Board issued Procedural Order No. 1, which established April 3, 2007 as the date by which interrogatories would be filed. Board staff and School Energy Coalition filed interrogatories by that date. The Order also established April 10, 2007 as the date by which the Applicant was to file responses to the interrogatories, and April 24, 2007 as the date by which parties would file submissions. The Applicant has not filed responses to any of the interrogatories.

The Board considers it necessary to make provision for the following procedural matters. Please be aware that further procedural orders may be issued from time to time.

THE BOARD ORDERS THAT:

1. Intervenor or Board staff who wish to make a submission on the application must file that submission with the Board and copy it to the Applicant and other Intervenor no later than two weeks from the date on which the Board receives the Applicant's responses to all interrogatories.
2. If the Applicant wishes to respond to a submission, the response must be filed with the Board and copied to Intervenor within one week following the date upon which the submissions from other parties are due.
