Dear Ms. Cruz:

**Re: Application for Unit Sub-Metering Licence
Board File Number EB-2014-0279**

The Board has reviewed your application for a unit sub-metering licence. Your application is currently incomplete and cannot be processed until the following has been filed:

1. In section 6 "Officers, Directors and Key Individuals" of the application form three key individuals have been listed. Section 12 "Key Individual Information" of the application form requires providing information for each key individual identified in section 6. You have provided information for Mr. Bonser only. Please provide information required in Section 12 for the remaining two key individuals or, alternatively, amend and resubmit Section 6 to reflect actual number of key individuals.
2. To satisfy requirements of section 9 "Finance" you have only provided a pro forma income statement. Based on previous experience with similar applications, financial information provided may not be sufficient to evaluate financial viability of the applicant. Please provide a pro forma balance sheet and assumptions used in preparing your pro forma financial statements.

The Board will resume processing your application once the above information has

been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.

Yours truly,
