Dear Madam:

Re: Horizon Utilities Inc.
Board File No. EB-2014-0002

We are counsel to the City of Hamilton. On behalf of our client we hereby request that the evidence of Wattsworth Analysis Inc., filed on behalf of our client, be withdrawn. The basis for the request is that the factual underpinning for much of the evidence has changed, with the result of much of the evidence is neither probative nor relevant.

We have been advised that the applicant, Horizon Utilities Inc., and Board staff, have consented to this request.

Yours very truly,

Robert B. Warren
