RE: License Cancellation - EW-2011-0393, BP Canada Energy Company

Dear Sir or Madam,

Please be informed that BP Canada Energy Company (BP) was amalgamated with Plains Midstream Canada ULC (Plains) since 2012. Plains had applied for its own license and an electricity wholesaler account with IESO has been fully established and functioning.

Please cancel the BP Canada Energy Company license EW-2011-0393 as it is no longer required.

Sincerely,

A handwritten signature in blue ink, appearing to read "S. Sill", with a long horizontal flourish extending to the right.

Hi Andy,

We don't have a record of any request for cancellation for the BP Canada Energy Company. If you'd like to cancel this licence because it's no longer necessary, please file a letter with the Board requesting cancellation. At that point we will be able to void the invoice for payment for 2014-15. If you do not cancel the licence then the payment will need to be paid to the Board. If you have any questions please let me know. Thanks.

John,

Thanks for the info.

I believe we have made the payment under Plains Midstream Canada a while ago, and recall my colleague had contacted to update the contact details to "Mark Stokes".

Like I've pointed out, BP Canada Energy **Company** has been amalgamated to Plains Midstream, and the record on your file seems to be duplicated, thus don't believe a licence is needed.

BP Canada Energy **Group ULC** is a totally unrelated company to us.

Please advise if further course of action is required.

Thanks.
Andy

Hello Andy,

I've copied Maureen Connor in our Licence department concerning your request below. I've looked through this email thread and am uncertain which licence number you are referring to, however, here's a list of active lists currently with the Board:

- Plains Midstream Canada ULC, EW-2012-0221- Primary contact is Mark Stokes in Calgary
- BP Canada Energy Company, EW-2011-0393 – Primary contact is Ted Burgel in Sarnia
- BP Canada Energy Group ULC, EW-2011-0233 – Primary contact is Cheryl Worthy in Calgary

This information can also be found [here](#) on the Board's website. If any of these licences are held by your firm and need to be amended, please contact Maureen and she will direct in terms of filing a licence amendment application.

Thank you,
John

Rudina,

Do you think you can update the company name on file to
Plains Midstream Canada?

BP Canada Energy Company was amalgamated to Plains for two years.

Thanks.
