## **NOTICE OF APPLICATION AND WRITTEN HEARING**

### **NGUTech Inc., doing business as ValEnergy Company Application for Unit Sub-Metering Licence**

#### **The Application**

NGUTech Inc. filed a complete application on August 28, 2014 with the Ontario Energy Board (the “OEB”) under section 60 of the *Ontario Energy Board Act, 1998*, (the “Act”) for a unit sub-metering licence. The granting of this licence would enable the applicant to provide unit sub-metering services in Ontario.

The application will be decided by an employee of the OEB who has been delegated this authority pursuant to section 6 of the Act. The OEB does not intend to provide for an award of costs when deciding the application.

#### **How to see the Application**

To see a copy of the application, go to the Consumer page of the OEB’s website and enter the case number EB-2014-0270 in the “Find an Application” box. A copy can also be seen at the OEB’s office and at NGUTech Inc.’s office at the addresses indicated below.

#### **Oral vs. Written Hearings**

There are two types of OEB hearings – oral and written. The OEB intends to proceed with this application by way of a written hearing. If you think an oral hearing is needed, you can write to the OEB to explain why. Your submission must be received by the OEB and copied to NGUTech Inc. by **September 29, 2014**.

### **How to Participate**

If you wish to participate in the written hearing, you may file a written submission setting out your views on the application. Your submission must be received by the OEB and copied to NGUTech Inc. by **October 2, 2014**.

If the applicant wishes to respond to the submission(s), such response must be filed with the OEB and copied to any party who made a submission by **October 9, 2014**.

All written submissions sent to the OEB will be placed on the public record, which means that the written submissions will be available for viewing at the OEB's offices and will be placed on the OEB's website. If the written submission is from a private citizen then, before placing the written submission on the public record, the OEB will remove any personal (i.e., not business) contact information from the written submission (e.g., the address, phone number, and e-mail address of the individual). However, the name of the individual and the content of the written submission will become part of the public record.

### **How to File Documents with the OEB**

All written submissions filed with the OEB must quote file number **EB-2014-0270** and clearly state the sender's name, postal address, telephone number and email address. You must forward two paper copies and, if possible, an electronic copy in Word format and in searchable PDF format, of your written submission to the OEB and one copy to the applicant. All written submissions should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
