RE: EB-2014-0283 Brantgate Solar Farm Partnership ("Applicant");
EB-2014-0284 Ridgefield Solar Farm Partnership ("Applicant");
EB-2014-0285 Roseplain Solar Farm Partnership ("Applicant"); and
EB-2014-0286 Port Hope Solar Farm Partnership ("Applicant").

Applications for Electricity Generation Licenses
Under Feed In Tariff Program

Dear Ms. Walli,

Pursuant to the Letter of Direction dated September 9, 2014, please be advised that above Applicants have complied with the following Board requests:

1. The provided Notice has been posted on the Applicants' websites at the following respective locations:

Brantgate - <http://www.pennenergyrenewables.com/solar-ontario/brantgate.html>
Ridgefield - <http://www.pennenergyrenewables.com/solar-ontario/ridgefield.html>
Roseplain - <http://www.pennenergyrenewables.com/solar-ontario/roseplain.html>
Port Hope - <http://www.pennenergyrenewables.com/solar-ontario/vandorp.html>

A copy of each web page as of September 9, 2014 is attached; and

2. A copy of the Applications for Electricity Generation Licenses and evidence have been made available for public review at the Applicant's office and will be provided to any party requesting such.

Please contact the undersigned should you have any questions or require additional information.

Sincerely,

Glen Tomkinson
