Dear Ms. Walli,

Enbridge Gas Distribution Inc. ("EGD")
October 1, 2014 QRAM Application
Board File No.: EB-2014-0191
Our File No.: 339583-000007

I am writing on behalf of Canadian Manufacturers & Exporters ("CME"). Please consider this correspondence as CME's written comments on EGD's QRAM Application, which seeks changes to EGD's rates for the sale, distribution, storage and transmission of natural gas effective October 1, 2014.

As the Board is aware, it is CME's practice to conduct a due diligence review of EGD's QRAM applications. CME finds that the Application is in accordance with the Board-approved QRAM mechanism. As such, CME does not oppose the relief sought by EGD.

CME requests an award of its reasonably incurred costs in connection with conducting its examination of EGD's QRAM Application.

Yours very truly,
