Learn more. Have your say.**

Union Gas Limited has applied to the Ontario Energy Board to increase its natural gas rates effective January 1, 2015. Under the proposal, an average residential customer of Union Gas in Southern Ontario (from Windsor to Hamilton) would see an increase ranging from \$2 to \$3 to the annual bill. Residential customers in all the other areas served by Union Gas would see an increase ranging from \$3 to \$5 to their average annual bill. Other customers, including businesses, may also be affected.

The requested rate increase is set using a formula previously approved by the Board for the period 2014-2018. The formula is tied to inflation and other factors intended to promote efficiency.

**THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING** The Ontario Energy Board (OEB) will hold a public hearing to consider Union Gas' request. We will question the company on its case for a rate change. We will also hear arguments from individuals and from groups that represent Union Gas customers. At the end of this hearing, the OEB will decide what, if any, rate changes will be allowed.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
