2. If it has not already done so, Erie Thames Powerlines Corporation shall immediately serve on the registered intervenors in this proceeding a complete set of all documents constituting their application. Registered intervenors are listed

in Appendix 1 to this Order. Service may be effected by emailing the documents (in their native format for spreadsheets), unless registered intervenors specifically request paper copies.

The Board also requires all filings to be in electronic form. Therefore, all parties must also email electronic copies of their filings to the Board Secretary at Boardsec@oeb.gov.on.ca., or otherwise make them available on CD or diskette. The Board requests that all parties make every effort to provide their filings in MS Word or MS Excel format for word-processed and spreadsheet documents respectively, or at a minimum in searchable PDF format.
8. Service of documents to parties other than the Board may be effected by email only, except when the party served specifically requests paper copies.
