Dear Ms Walli:

Re: EB-2014-0002

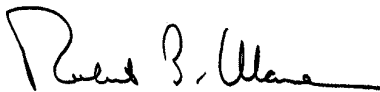

We are counsel to the City of Hamilton in this matter. We are responding herein to Mr. Rodger's letter to you dated September 22, 2014.

We will shortly be filing an Amended Notice of Motion and a Supplementary Affidavit. As these materials will indicate, there are new facts which will distinguish the motion in the Hydro One Networks Inc. from the one to be considered in this application. The premise for Mr. Rodger's letter is, therefore, wrong.

It would have been a denial of natural justice to have refused to hear our client's motion, even in the absence of new facts. It would certainly be a denial of natural justice to refuse to hear our client's amended motion.

Yours truly,

WeirFoulds LLP
