Dear Ms. Walli:

**Re: Oakville Hydro Electricity Distribution – 2015 Distribution Rate Application
Board File No. EB-2014-0102**

As a result of Oakville Hydro Electricity Distribution's September 15th, 2014 letter to the Ontario Energy Board withdrawing its request for a D1-factor adjustment to its price cap formula, Veridian Connections Inc. ("Veridian") withdraws its intervention request as Veridian's interest in the proceeding was limited to this issue.

Yours truly,
