DECISION AND ORDER
September 25, 2014

Rainy River First Nations Solar 1 Limited Partnership, Rainy River First Nations Solar 2 Limited Partnership and Rainy River First Nations Solar 3 Limited Partnership each filed an application on August 12, 2014, under section 60 of the *Ontario Energy Board Act*, 1998 for an electricity generation licence as a Feed-in Tariff Program participant. The Board assigned file numbers EB-2014-0266, EB-2014-0267 and EB-2014-0268 to these applications, respectively. Each of the applicants applied for authorization to own and operate a generation facility.

The Board's combined Notice of Application and Written Hearing for the three electricity generation licences was issued on August 25, 2014. No parties responded to the Notice of Application and Written Hearing.

After considering the applications, it has been found to be in the public interest to issue the electricity generation licences under Part V of the Act.

IT IS THEREFORE ORDERED THAT:

The applications for electricity generation licences are granted, on such conditions as are contained in the attached licences.
