Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2014-0012 Union Gas Limited ("Union") – Hagar Liquefaction Service

We are legal counsel for Canadian Manufacturers & Exporters ("CME"), one of the intervenors in the above referenced matter. We have had the benefit of reviewing recent correspondence filed with the Board by legal counsel for both Union Gas Limited ("Union") and Northeast Midstream LP ("Northeast") with respect to a motion which Northeast intends to file under Section 29(1) (the "Motion"). We are writing with respect to Union's recommendation that the hearing of the Motion be by way of writing. CME agrees with Northeast's submission that an oral hearing of the Motion should be held in conjunction with the oral hearing of Union's application. CME has an interest in the Motion and submits that an oral rather than a written process is the most efficient way to deal with this matter.

Yours very truly
