

EB-2014-0076

IN THE MATTER OF the *Ontario Energy Board Act, 1998*,
S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Grimsby Power
Inc. for an order approving just and reasonable rates and
other charges for electricity distribution to be effective
January 1, 2015.

PROCEDURAL ORDER NO. 1
September 25, 2014

Grimsby Power Inc. (“Grimsby Power”) filed a complete application (the “Application”) with the Ontario Energy Board (the “Board”) on August 13, 2014 under section 78 of the *Ontario Energy Board Act, 1998*, S.O. 1998, c. 15, (Schedule B) and under the Board’s Filing Requirements for Incentive Regulation Rate Applications. Grimsby Power is seeking approval for changes to the rates that Grimsby Power charges for electricity distribution, to be effective January 1, 2015. The Board assigned the application file number EB-2014-0076.

The Board issued a Notice of Application and Hearing on September 2, 2014. The Vulnerable Energy Consumers Coalition (“VECC”) applied for intervenor status and cost eligibility in relation to Grimsby Power’s request to clear the balance in an account which tracks the difference between the amount of revenue generated by conservation programs compared to what Grimsby Power had predicted. No objection was received.

I approve VECC as an intervenor and that VECC is eligible to apply for an award of costs under the Board’s *Practice Direction on Cost Awards* in relation to Grimsby Power’s request outlined above.

The list of parties in this proceeding is attached as Appendix A to this procedural order.

Parties are reminded to consult sections 26 and 27 of the Board's *Rules of Practice and Procedure* (as revised April 24, 2014) regarding required naming and numbering conventions and other matters related to interrogatories.

I consider it necessary to make provision for the following matters related to this proceeding. Provision is being made for written submissions following the filing of interrogatory responses, unless the Board orders otherwise during the course of the proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. Board staff and VECC shall request any information and material from Grimsby Power that is in addition to Grimsby Power's pre-filed evidence with the Board, and that is relevant to the hearing, by written interrogatories filed with the Board and served on Grimsby Power on or before **October 3, 2014**.
2. Grimsby Power shall file with the Board complete written responses to the interrogatories and serve them on VECC on or before **October 16, 2014**.
3. Unless the Board orders otherwise, Board staff and VECC wishing to file a written submission shall do so by **October 30, 2014**. Any submission should be filed with the Board and delivered to Grimsby Power and VECC.
4. Unless the Board orders otherwise, Grimsby Power may file a written reply submission with the Board, and deliver it to VECC by **November 13, 2014**.

All filings to the Board must quote the file number, EB-2014-0076 and be made electronically through the Board's web portal at <https://www.pes.ontarioenergyboard.ca/eservice/> in searchable / unrestricted PDF format. Two paper copies must also be filed at the Board's address provided below. Filings must clearly state the sender's name, postal address and telephone number, fax number and e-mail address. If the web portal is not available parties may email their documents to the address below. Those who do not have internet access are required to submit all filings on a CD in PDF format, along with two paper copies. Those who do not have computer access are required to file 7 paper copies.

All communications should be directed to the attention of the Board Secretary at the address below, and be received no later than 4:45 p.m. on the required date.
