Dear Ms. Walli:

Re: EB-2014-0055

In accordance with Procedural Order #2 in the above-referenced proceeding, we are writing to advise that the Parties have, in principle, reached a partial settlement and are in the process of preparing a settlement proposal. Although the Parties are working diligently to complete a settlement proposal, we require more time than provided for in Procedural Order #2 as the settlement negotiations lasted longer than expected. Accordingly, we request an extension of time to file a settlement proposal until October 10, 2014. We will make a best efforts attempt to file the settlement proposal sooner, if possible.

In regard to the unsettled issues, it appears that the Parties are in agreement that they should all be addressed by way of oral hearing. The merits oral vs. written hearing for the unsettled issues will be addressed in the settlement proposal.

Sincerely,

Andrew Taylor
