RESS, EMAIL AND COURIER

Ms. Kirsten Walli
Board Secretary
Ontario Energy Board
P.O. Box 2319, 27th Floor
2300 Yonge Street
Toronto, ON M4P 1E4

Dear Ms. Walli:

**Re: Festival Hydro Inc. – 2105 Rates
Board File No.: EB-2014-0073**

We are counsel to Festival Hydro Inc. ("**Festival**").

In accordance with Procedural Order No.1, Festival participated in a settlement conference with School Energy Coalition, Vulnerable Energy Consumers Coalition, Energy Probe Research Foundation, the Association of Major Power Consumers in Ontario (the "**Intervenors**") and Board Staff on September 29 and 30, 2014.

The parties have reached a partial settlement which is in the process of being reduced to writing and will be provided to the Board on or before October 21, 2014, as required in Procedural Order No. 1. As such, any comment upon issues remaining for hearing is premature. Festival and the Intervenors have agreed that an oral hearing for the remaining issues is appropriate and would request the Board schedule 2 days for such hearing. In discussion with the Intervenors, we would request the Board not schedule the oral hearing for the following days: November 6, 7, 10, 17, 18, 19, 20, 21 as some people are not available those dates.

If there are any questions, please contact the undersigned.

Yours truly,

AIRD & BERLIS LLP
