Dear Ms. Walli:

**RE: CANADIAN NIAGARA POWER INC. ("CNPI") – TRANSMISSION RATES
BOARD FILE NO. EB-2014-0204**

In a letter dated May 29, 2014, the Board directed CNPI to file a transmission cost of service application for the year commencing January 1, 2015. The Board assigned File Number EB-2014-0204 to this matter. In response, CNPI wrote to the Board on May 30, 2014 confirming that it intended to file the application on or before October 1, 2014.

CNPI has been working diligently to complete the application, and we have made significant headway. Unfortunately, despite our efforts, it does not appear that we will be able to meet the October 1, 2014 deadline. Therefore, we respectfully ask the Board to extend the filing date to November 17, 2014.

We apologize for any inconvenience.

Yours truly,
