Further to the Board's September 19, 2014 notice to interested parties, Aegent Energy Advisors is interested in participating in the EB-2014-0289 consultation and stakeholder conference. We apologize that this letter is being submitted after the deadline for parties to indicate their intent to participate. The writer was engaged in other matters and missed the deadline. Aegent Energy Advisors is a consulting firm providing objective analysis and advice to assist large-volume energy users to reduce the cost, manage the risk, and resolve the complexities of their energy purchases. As well, Aegent represents certain of its clients in proceedings before the Ontario Energy Board. The matters under discussion in this review are of direct interest to Aegent's clients.

Aegent will be represented by John Voss, President and Frank Brennan, Senior Consultant. However, we would request that the Board and interested parties direct all correspondence and documents to:
