Dear Ms. Cruz:

**Re: Application for Unit Sub-Metering Licence
Board File Number EB-2014-0279**

The Board has reviewed your correspondence filed on October 3, 2014 to satisfy requirements set out in the letter dated September 5, 2014. Your application is still incomplete and cannot be processed until the following has been filed:

Section 9, Page 5 of the Application Form – Finance:

1. You have stated in your letter dated October 2, 2014 that AAAlert's pro forma balance sheet is included in the submission package. However, you have filed only AAAlert's budget pro forma which is a pro forma income statement, i.e. revenues and expenses are listed in this document. No pro forma balance sheet has been submitted. Please provide AAAlert's pro forma balance sheet (assets, liabilities and owner's equity) and assumptions used to develop it.
2. Additionally, AAAlert's budget pro forma submitted with the application on August 27, 2014 is significantly different from the budget pro forma filed on October 3, 2014. Please provide reasons for such a drastic change.

The Board will resume processing your application once the above information has

been filed. If the above information is not filed within 30 days of the date of this letter, the Board may close the file for this application.

Please file two paper copies of the additional material and an electronic version in Word and in searchable Adobe Acrobat (if available) with the Board Secretary. Electronic copies may be submitted on CD or by e-mail to boardsec@ontarioenergyboard.ca.

Please direct any questions relating to this application to Irina Kuznetsova, Advisor at 416-440-8138 or e-mail, Irina.Kuznetsova@ontarioenergyboard.ca.
