Dear Ms. Walli:

**Re: wpd Sumac Ridge Incorporated (the "Applicant")
EB-2013-0442**

We are the lawyers for the Applicant and we write further to Board Staff Interrogatories delivered on September 8, 2013 pursuant to Procedural Order No. 1 dated August 7, 2014.

The Applicant is in the process of retaining a contractor to prepare the detailed engineering drawings requested pursuant to Board Staff Interrogatory No. 1 to assist the Board with determining the exact location of the distribution facilities within the road allowance. The Applicant expects that the work will be completed on or around November 14, 2014. In this regard, the Applicant requests that the Board hold the Application in abeyance and grant it a small indulgence so that it can obtain and file the additional evidence requested.

Should you have any questions, please do not hesitate to contact me.

Yours truly,

Ingrid Minott
