IN THE MATTER OF the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B);

AND IN THE MATTER OF an application by Innisfil Hydro Distribution Systems Limited for an order approving just and reasonable rates and other charges for electricity distribution to be effective January 1, 2015.

PROCEDURAL ORDER NO. 2

October 9, 2014

Innisfil Hydro Distribution Systems Limited (“Innisfil Hydro”) filed an application with the Ontario Energy Board (the “Board”), on August 13, 2014 under section 78 of the *Ontario Energy Board Act*, 1998, S.O. 1998, c. 15, (Schedule B), seeking approval for changes to the rates that Innisfil Hydro charges for electricity distribution, to be effective January 1, 2015.

The Board issued a Notice of Application and Hearing dated September 2, 2014.

In Procedural Order No. 1, issued on September 23, 2014, the Board granted the Vulnerable Energy Consumers Coalition (“VECC”), Energy Probe Research Foundation (“EP”) and School Energy Coalition (“SEC”) intervenor status and cost eligibility, and set dates for interrogatories and interrogatory responses.

The Board has determined that provision should be made for a technical conference for the purpose of clarifying information provided in some of the interrogatory responses to be filed by Innisfil Hydro with respect to the request for an incremental capital module. The Board has decided that it will convene a settlement conference in conjunction with the technical conference. The Board has also decided to provide dates for an oral hearing should the issue related to the incremental capital module not be settled.

The Board considers it necessary to make provision for the following matters related to this proceeding. The Board may issue further procedural orders from time to time.

THE BOARD ORDERS THAT:

1. A Technical Conference will be convened on **October 23, 2014** starting at 9:30. A Settlement Conference will be convened immediately following the technical conference, in the **West Hearing Room** at 2300 Yonge Street, 25th floor, Toronto, with the objective of reaching a settlement among the parties on the issues. 2. Any Settlement Proposal arising from the Settlement Conference shall be filed with the Board no later than **November 10, 2014**.
3. An oral hearing will commence on **November 20, 2014** to either review the Proposed Settlement Agreement, or if no settlement was achieved, to examine Innisfil Hydro on all aspects of the incremental capital module proposal. The hearing will continue on **November 21**, if necessary. Parties wishing to make final submissions may do so, orally, at the conclusion of the oral hearing.
