Dear Ms. Walli:

**Re: Greenfield South Power Corporation ("Greenfield South")
Application for a Certificate of Public Convenience and Necessity
Board File No.: EB-2014-0299**

The Ontario Power Authority ("OPA") is in receipt of the Ontario Energy Board's Notice issued September 26, 2014 and is writing to request intervenor status in this proceeding.

The OPA has a 20-year Amended and Restated Clean Energy Supply ("ARCES") Contract with Greenfield South to construct and operate the 300 megawatt natural gas-fired power plant that is the subject of this proceeding. As such, the OPA is interested in the outcome of the Board's decision in this proceeding and so requests intervenor status.

The OPA requests that electronic copies of all documents filed in this proceeding be forwarded to the attention of Miriam Heinz, Regulatory Coordinator, at the address above or through e-mail at miriam.heinz@powerauthority.on.ca.

Yours truly,

A handwritten signature in blue ink that reads "Nancy Marconi".
