**Re: EB-2014-0290 Notice of Motion - Environmental Defence
Comments of Enbridge Gas Distribution Inc.**

On September 5, 2014, Environmental Defence filed a Notice of Motion and Submissions with the Ontario Energy Board (the "Board") requesting that the Board review and vary its Decision on Cost Awards issued for the EB-2012-0451/EB-2012-00433/EB-2012-0074 proceedings. Environmental Defence has filed with the Board and provided copies to Enbridge of a supplementary cost claim for the proceeding.

Enbridge has reviewed and has no objections to the supplemental cost claim filed by Environmental Defence.

The Company awaits the recommendations and or cost awards of the Board with respect to the cost claim.

Please contact me if you have any questions.

Yours truly,
