Attention: Kirsten Walli, Board Secretary

Dear Ms. Walli:

Re: EB-2014-0012 Union Gas Limited ("Union") - Hagar Liquefaction Service

We are writing with respect to the evidence update provided by Union on October 9, 2014.

Our client, Northeast Midstream LP, requests an opportunity to submit written interrogatories or challenge, by way of cross-examination, the fresh evidence filed by Union. Our client does not want the written interrogatory process to delay its motion brought pursuant to Section 29(1) and would welcome the Board's further direction as to how to proceed.

Yours very truly,

for David E. Lederman
DEL/kw
