Dear Ms Walli:

Re: EB-2014-0012 – Union Gas Limited – Hagar Liquefaction Service Rate

This letter is response to correspondence filed on Friday, October 17, 2014 by Northeast Midstream LP's legal counsel wherein a request was made to cross-examine or ask interrogatories in respect of the evidence update filed by Union Gas Limited on October 9, 2014.

The evidence update filed by Union is relatively minor and is not extensive. Northeast will have a full opportunity to cross-examine Union during the proceeding scheduled for next week. As a result, an additional round of interrogatories are not required and will needlessly delay the proceeding.

Yours truly,

Charles Keizer
