Dear Ms. Walli:

**Re: Union Gas Limited Hagar Liquefaction Service Application –
EB-2014-0012**

Pursuant to the Board's Procedural Order No. 3 dated October 6, 2014, Board staff wishes to inform the Board that it does not intend to file expert evidence in response to the Motion filed by Northeast Midstream L.P. ("Northeast") .

However, Board staff encourages the Board to make provision for discovery on the evidence filed with the motion, and any additional evidence filed by Union. As Northeast's expert witness does not appear to live in the Toronto area, written interrogatories on a relatively short schedule might be the best course.

Yours truly,
