File No. T1001485

Dear Ms. Walli:

Re: EB-2014-0154: Union Gas Limited (Union) Reduction of Certain Charges Applied to Direct Purchase Customers.

Industrial Gas Users Association ("IGUA") Statement of Costs.

Earlier today we filed IGUA's Statement of Costs in the captioned matter.

Upon review of our filing, we have discovered an error. The *Summary of Fees and Disbursements* page, which is generated in the Board's cost claim template package, filed earlier today reflects a docket entry initially included in our draft Statement of Costs but removed in the course of review and finalization of the cost claim (as that docket entry pertained to another matter). While we corrected the underlying data in the cost claim by removing the mis-recorded docket entry, we failed to replace the previously generated *Summary of Fees and Disbursements* page in the filed version of the Statement of Costs with the updated summary page generated.

Attached please find the correct, *Summary of Fees and Disbursements* page, which should replace the initially filed *Summary of Fees and Disbursements* page included with our initial filing.

We apologize to the Board and Union for any confusion or inconvenience.

Yours truly,

Ian A. Mondrow
