LETTER OF COMMENT

Comments:

The application from Union Gas to OBM, they are requesting an increase in the residential Union Gas charges which will be ranging from \$2.00 to \$3.00 in the annual bill. How come I am paying by EBP, which was last year \$105.00 per month, now this year they have it increased to \$155.00 per month! That is an INCREASE OF \$600.00 PER YEAR in MY annual bill! I have tried to phone the company about this however it is impossible to get threw to speak with anybody concerning this. Could you PLEASE look into this for me and get back to me with a response.

I would also like to become an intervenor and receive any documentation related to this case.
