ONTARIO ENERGY BOARD NOTICE  
TO CUSTOMERS OF ENBRIDGE GAS DISTRIBUTION INC.

Enbridge Gas Distribution Inc. has applied to the Ontario Energy Board for an order renewing its Gas Franchise Agreement in the Town of Grand Valley.

Learn more. Have your say.

Enbridge Gas Distribution Inc. has applied to the Ontario Energy Board:

1. To renew its Gas Franchise Agreement with the Town of Grand Valley, which gives Enbridge the right to distribute, store and transmit gas in and through the Town of Grand Valley and to its inhabitants for a period of 20 years;
2. For an order declaring and directing that the assent of the municipal electors of the Town of Grand Valley is not necessary in relation to the renewal of the Gas Franchise Agreement; and

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The OEB will hold a public hearing to consider Enbridge’s request. During this hearing, the OEB will consider evidence and arguments by Enbridge and by individuals, municipalities and others whose interests would be affected. At the end of this hearing, the OEB will decide whether to grant Enbridge’s request.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

This application will be decided by the Manager, Natural Gas Applications, who has been delegated the authority to make a decision on behalf of the OEB.

The Manager, Natural Gas Applications, does not intend to provide for an award of costs when deciding the application.
