ONTARIO ENERGY BOARD
IN THE MATTER OF AN APPLICATION BY
UNION GAS LIMITED
DAWN PARKWAY 2016 EXPANSION PROJECT
NOTICE OF INTERVENTION
OF THE
VULNERABLE ENERGY CONSUMERS COALITION

To: Ms. Kirsten Walli
Board Secretary

And to: Ms Karen Hockin, Manager, Regulatory Initiatives

IDENTITY OF THE INTERVENOR AND ITS MEMBERSHIP

1. The Vulnerable Energy Consumers Coalition (VECC) hereby expresses its intention to intervene and participate in the above-mentioned proceeding. VECC consists of the following organizations:
 - (a) The Federation of Metro Tenants Association (FTMA)
 - (b) The Ontario Coalition of Senior Citizens' Organizations (OCSCO)

2. The Federation of the Metro Tenants Association (the "FTMA") is a non-profit corporation composed of over ninety-two affiliated tenants associations, individual tenants, housing organizations, and members of non-profit housing co-ops. In addition to encouraging the organization of tenants and the promotion of decent and affordable housing, the Federation provides general information, advice, and assistance to tenants. The address is:

500-27 Carlton Street
Toronto, ON
M5B 1L2

3. The Ontario Coalition of Senior Citizens' Organizations ("OCSCO") is a coalition of over 160 senior groups as well as individual members across Ontario. OCSCO represents the concerns of over 500,000 senior citizens through its group and individual members. OCSCO's mission is to improve the quality of life for Ontario's seniors. OCSCO's address is:

333 Wilson Avenue, Suite 406
Toronto, ON
M3H 1T2

4. The coalition of the FMTA and OCSCO under the name VECC has the specific mandate of intervening in proceedings to advocate on behalf of the interests of Ontario's vulnerable consumers with respect to energy issues, primarily through intervention in regulatory proceedings at the Ontario Energy Board.
5. Although the organization is not itself a member of VECC, the Public Interest Advocacy Centre (PIAC) in Ottawa assists in the representation of

the interests of vulnerable consumers by ensuring the availability of competent representation and consultant support to the VECC participation.

INDIVIDUALS AUTHORIZED TO REPRESENT VECC IN THIS PROCEEDING

6. The name and address of the agent authorized to receive documents on behalf of VECC is:

Mr. Michael Janigan
Counsel
Public Interest Advocacy Centre (PIAC)
One Nicholas Street, Suite 1204
Ottawa, Ontario
K1N 7B7
(613) 562-4002 extension 26 (office)
(613) 562-0007 (fax)
mjanigan@piac.ca

7. VECC would request that all correspondence and documentation also be electronically copied to VECC's consultant:

James Wightman
Econalysis Consulting Services
34 King Street East, Suite 630
Toronto, Ontario
M5C 2X8
(416) 348-0640 (office)
(416) 348-0641 (fax)
wijjim07@yahoo.ca

8. In order to mitigate costs VECC requests only electronic copies of the materials. VECC may request paper copies of some or all of the materials should this become necessary. VECC requests electronic copies of the

application and any additional supporting materials be sent to Mr. Janigan and Mr. Wightman at their respective e-mail addresses.

GROUND FOR THE INTERVENTION

9. The Applicant is seeking to increase the rates to customers represented by, or of similar interests, to those represented by VECC and by the associations affiliated with VECC. VECC is especially concerned with the ability of low income consumers to meet energy costs.

INTERESTS OF THE INTEVENOR

10. VECC notes that the estimated cost of the project, to come into service in the fall of 2016, is \$415.7M and, as such, will impact rates for the customers represented by VECC.
11. VECC submits that a written discovery process, settlement conference, and oral hearing to resolve any unsettled matters would be the most efficient regulatory process for this application.
12. VECC intends to review all aspects of the Application and fully participate in all phases of the proceeding including the discovery process, settlement conference, and hearing.
13. VECC has previously been approved as an intervenor and been an active participant in numerous proceedings related to Union, including its IRM application, EB-2013-0202 and its 2014 rates application, EB-2013-0365.

Further, VECC is currently an intervenor in the Union 2015 rate proceeding, EB-2014-0271.

14. VECC is intervening in order to ensure that consumer interests and in particular the interests of the low-income and vulnerable users of electricity are fully represented in the determination of just and reasonable rates.

INTENTION TO SEEK COST AWARDS

15. VECC will be requesting an award of costs for its participation in this proceeding and believes that, as a coalition representing the direct interests of consumers, it meets the eligibility criteria set out in the Ontario Energy Board's Rules of Practice and Procedure (Section 41) and its' Practice Direction on Cost Awards (Section 3.03).
16. VECC's members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.
