Dear Ms. Walli:

RE: AN APPLICATION FOR REVIEW AND APPROVAL OF CNPI'S CUSTOMER DELIVERY POINT PERFORMANCE STANDARD

On October 17, 2014, CNPI filed its application for the review and approval of the Customer Delivery Point Performance Standard and requested that the review and approval be done without a hearing. CNPI wishes to inform the Board that Customer Delivery Point Performance Standard application will be incorporated in CNPI's soon-to-be filed cost of service transmission application, EB-2014-0204. Accordingly, CNPI also withdraws its request that the review and approval be done without a hearing.

If you have any questions in connection with the above matter, please do not hesitate to contact the undersigned at (905) 994-3634.

Yours truly,
