RE: Renewal of Electricity Retailer Licence ER-2009-0337 Expiring December 17, 2014

To Whom It May Concern;

Enclosed please find the application for the renewal of ECNG Energy L.P. ("ECNG") Gas Marketer Licence.

Please excuse the unintentional delay in this application. ECNG underwent a change in ownership on December 16th, 2013 and is no longer a division of AltaGas Ltd. The transition has resulted in major delays with respect to receiving notices and so it is for this reason that our application has been unfortunately delayed. We prepared this application immediately upon receiving information that it was due far in advance of the expiration date. Accordingly, I would ask for your understanding in this unusual situation and also for the Board to kindly grant an interim licence pending the conclusion of the current application so that the licence does not expire while the renewal is being processed.

Please also note that with respect to the financial statements portion of the application, we have included unaudited notice to reader statements. ECNG currently only has one set of annual statements post change in ownership. Should you require any further financial information, we will work with the board to provide what you need.

Should you have any further questions or require additional information, please do not hesitate to contact me.

Thank you for your understanding.

Sincerely,

A handwritten signature in blue ink, appearing to read "Melissa Loucks".
