Dear Ms. Walli:

**RE: Enbridge Gas Distribution Inc. – Dawn Access Settlement Agreement
Ontario Energy Board File Number: EB-2014-0323**

Aagent Energy Advisors Inc. – Intervention Request

Aagent Energy Advisors is writing this letter to request intervenor status in the above-noted proceeding. A copy of this letter has also been e-mailed to your attention and filed through the RESS.

Aagent Energy Advisors is a consulting firm providing objective analysis and advice to assist large-volume energy users to reduce the cost, manage the risk, and resolve the complexities of their energy purchases. Aagent does not produce or sell energy. Aagent works with industrial, commercial, and institutional energy consumers, some of whom are customers of Enbridge Gas Distribution. Aagent's involvement includes supply portfolio development, price risk analysis, gas nominations, tracking and mitigating gas supply imbalances, and settlement support. As well, Aagent represents certain of its clients in proceedings before the Ontario Energy Board.

Aagent participated, as a member of the working group, in the consultations that resulted in the settlement agreement for which Enbridge is seeking Board approval in this proceeding. Aagent has indicated its support of the agreement to Enbridge. Aagent is not planning on asking interrogatories in relation to the application or making a formal submission, but would like to reserve the right to comment should there be a need to do so.

We would request that all correspondence and documents related to this matter be directed to:
