**Re: Union Gas Limited ("Union")
Dawn Parkway 2016 System Expansion Project
Board File Number EB-2014-0261**

Union has filed an Application with the Ontario Energy Board for approval to construct its Dawn Parkway 2016 Expansion Project which consists of:

- i) approximately 20 km of NPS 48 pipeline and associated facilities from the Hamilton Valve Site to the Milton Valve Site; and,
- ii) a new compressor and associated facilities at Union's existing Lobo Compressor Station in the Municipality of Middlesex Centre.

In accordance with a Letter of Direction as issued by the Ontario Energy Board on October 28, 2014, Union has been instructed to serve you with a copy of the English and French versions of the Notice of Application including the location maps, along with a copy of Union's Application. The aforesaid documentation is enclosed for your review.

Re: EB-2014-0261 – Union's Dawn Parkway 2016 Expansion Project

Dear Ms. Walli:

Union Gas Limited ("Union") requests approval of the Ontario Energy Board (the "Board") for its 2016 Dawn Parkway Expansion Project (the "Project").

The Application has been filed through the Board's RESS and will be available on Union's website at: www.uniongas.com.

The Project involves the installation of a new 44,500 ISO HP Lobo C Compressor plus modifications to existing facilities at the Lobo Compressor Station and, the construction of approximately 20 km of NPS 48 pipeline extending from the Hamilton Valve Site to the Milton Valve Site. These facilities will provide incremental capacity of 442,770 GJ/d on Union's Dawn Parkway System with an in-service date in the fall of 2016. The total estimated cost for the Project is \$415.7 million.

Union anticipates filing its complete evidence in support of the Application by September 30, 2014.

If you have any questions, please contact me at (519) 436-5473.

Yours truly,

IN THE MATTER OF The Ontario Energy Board Act, 1998, S.O. 1998, c.15, Schedule B, and in particular, S. 36 thereof;

AND IN THE MATTER OF The Ontario Energy Board Act, 1998, S.O. 1998, c.15, Schedule B, and in particular, S.90.(1) thereof;

AND IN THE MATTER OF The Ontario Energy Board Act, 1998, S.O. 1998, c.15, Schedule B, and in particular, S.91 thereof;

AND IN THE MATTER OF an Application by Union Gas Limited for an Order or Orders for approval of recovery of the cost consequences of all facilities associated with the development of the proposed Lobo C Compressor/Hamilton-Milton Pipeline project;

AND IN THE MATTER OF an Application by Union Gas Limited for an Order or Orders granting leave to construct natural gas pipelines and ancillary facilities in the City of Hamilton, City of Burlington, and the Town of Milton, and leave to construct a compressor and ancillary facilities in the Municipality of Middlesex Centre.

UNION GAS LIMITED

- I. Union Gas Limited (the “Applicant” or “Union”) hereby applies to the Ontario Energy Board (the “Board”), pursuant to Section 36 of the Ontario Energy Board Act (the “Act”) for an Order or Orders granting:
 - a) approval of recovery of the cost consequences of all facilities associated with the development of the proposed 2016 Dawn Parkway Expansion Project from ratepayers; and,
 - b) approval of an accounting order to establish the 2016 Dawn Parkway Expansion Project Deferral Account.
2. Union also hereby applies to the Board for an order:

- a) pursuant to Section 90 (a) of the Act, granting leave to construct approximately 20 kilometres of NPS 48 pipeline (“Proposed Pipeline”) and associated valve facilities from the Hamilton Valve Site (“Hamilton”) to the Milton Valve Site (“Milton”); and,
 - b) pursuant to Section 91 of the Act, for leave to construct a new compressor (“Lobo C Compressor”) and associated facilities necessary at the existing Lobo Compressor Station.
3. Attached hereto as Schedule ‘A’ are 2016 Dawn Parkway Expansion Project maps showing the general location of the Lobo Compressor Station, Proposed Pipeline and associated facilities and the municipalities, highways and railways through, under, over, upon or across which the pipeline will pass.
4. The parties affected by this Application are the owners of lands, government agencies and municipalities over which the facilities will be constructed, and Union’s customers with respect to quality of service and security of supply. The persons affected by this Application are the customers resident or located in the Municipalities and First Nations Reserves served by Union, together with those to whom Union sells gas, or on whose behalf Union distributes, transmits or stores gas. It is impractical to set out in this Application the names and addresses of such persons because they are too numerous.
5. The Applicant now therefore applies to the Board for an Order or Orders for approval of recovery of the cost consequences and granting leave to construct the Proposed Pipeline and Lobo C Compressor and associated facilities as described above.

ONTARIO ENERGY BOARD NOTICE

Union Gas Limited has applied for approval to construct natural gas pipeline, ancillary facilities and a compressor station and for approval to recover costs associated with this development

Learn more. Have your say.

Union Gas Limited applied for approval to construct a pipeline, ancillary facilities and a compressor station to expand its Dawn to Parkway transmission system in 2016. The proposed expansion is located in the City of Hamilton, the City of Burlington, the Town of Milton and the Municipality of Middlesex Centre. Union Gas also applied for approval of recovery of costs associated with construction of the proposed transmission system expansion.

A map of the proposed expansion is provided below.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Union Gas. We will question Union Gas on the case. We will also hear arguments from individuals and from groups that represent the customers of Union Gas. At the end of this hearing, the OEB will decide whether to approve the application.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process. You can:

- review the application filed by Union Gas on the OEB's website now.
- file a letter with your comments, which will be considered during the hearing.
- become an active participant (called an intervenor). Apply by **November 17, 2014** or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- at the end of the process, review the OEB's decision and its reasons on our website.

LEARN MORE

Our file number for this case is **EB-2014-0261**. To learn more about this hearing, find instructions on how to file letters or become an intervenor, or to access any document related to this case, please select the file number **EB-2014-0261** from the list on the OEB website: http://www.ontarioenergyboard.ca/html/notice/index_1tc.cfm. You can also phone our Consumer Relations Centre at 1-877-632-2727 with any questions.

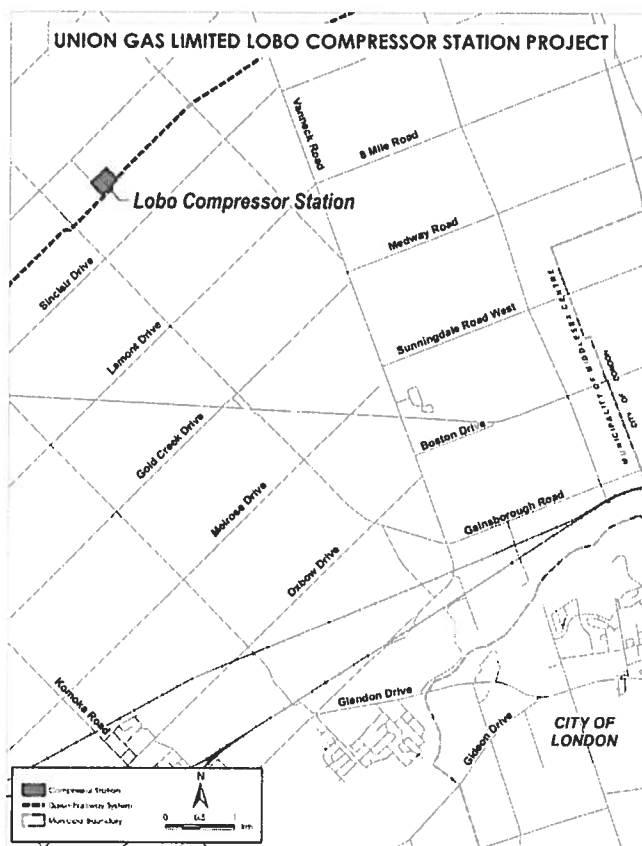

ORAL VS. WRITTEN HEARINGS

There are two types of OEB hearings – oral and written. Union Gas has applied for a written hearing. The OEB is considering this request. If you think an oral hearing is needed, you can write to the OEB to explain why by **November 17, 2014**.

PRIVACY

If you write a letter of comment, your name and the content of your letter will be put on the public record and the OEB website. However, your personal telephone number, home address and email address will be removed. If you are a business, all your information will remain public. If you apply to become an intervenor, all information will be public.

This hearing will be held under sections 36, 90(1) and 91 of the Ontario Energy Board Act, 1998, S.O. 1998 c.15 (Schedule B).
