## LETTER OF COMMENT

### Comments:

RE: Outstanding Suncor Response to D St Amand\_Letter of  
Comment\_Suncor\_20140923\_Redacted

The September 23 2014 letter was my reply comment to Suncor Response D St. Amand Ltr  
of Comment Correspondence 20140805 at EB 2014-0022.

This letter is a reminder to Suncor that OEB Rules of Practice section 23 Public Comment  
sub-section 23.03 provides that:

23.03 Before the record of a proceeding is closed, the applicant in the proceeding must  
address the issues raised in letters of comment by way of a document filed in the proceeding.

My concern is that in the activity regarding Hydro One distribution issues, the requirement  
for a response to my reply comment may be overlooked. No mention was made in  
PO7\_Suncor Products\_20141002.

Thank you in advance for your attention to this requirement.

Sincerely,

D. St. Amand
