IN THE MATTER OF the *Ontario Energy Board Act*,
1998, S.O.1998, c.15, Schedule B;

AND IN THE MATTER OF an application by Local
Authority Services Limited for an electricity retailer
licence.

By delegation, before: Viive Sawler

DECISION AND ORDER
November 13, 2014

Local Authority Services Limited filed two applications on August 27, 2014 with the Ontario Energy Board under section 60 of the *Ontario Energy Board Act*, 1998 for an electricity retailer licence containing two licence numbers. The applicant requires two licence numbers to enable Distributed Consolidated Billing and Settlement (DCB) and Retailer Consolidated Billing and Settlement (RCB) separation by local distribution companies. Both the DCB and RCB methods are authorized under the electricity retail licence.

The Board's Notice of Application and Written Hearing for an electricity retailer licence was posted on September 18, 2014. No parties responded to the Notice of Application and Written Hearing.

After considering the application, I find it to be in the public interest to issue the electricity retailer licence under Part V of the Act.

IT IS THEREFORE ORDERED THAT:

The application for an electricity retailer licence containing two licence numbers is granted, on such conditions as are contained in the attached licence.

DATED at Toronto, November 13, 2014

ONTARIO ENERGY BOARD
